

Items that Require Special Handling

The following items could require special permits and handling for Mexico. It is important that you advise us before shipping.

- Medical equipment
- Wood pallets and wood crates

The following items can be imported but do pay tax. Please quote before shipping.

- Wines and spirits
- Food
- Any item without the logo of the event
- Office supplies

The following items cannot be imported for conventions.

- Medicinal items
- Insecticides
- First Aid Kits
- Seashells
- Plants and animals
- Wood pencils
- Sparklers and fireworks
- Balloons
- Inflatables
- Personal Items (must accompany the passenger)
- Lighters without logo

The above are the most common items. Once we have your shipping list, we will advise you of any other merchandise that requires special handling.
