

Diaper Changing Stations

Foundations® changing stations are designed for safety, beauty and versatility. Foundations offers the most complete and comprehensive line of changing stations and accessories in the market today to accommodate every budget, application, and facility. Changing stations arrive fully assembled and ready to install. Commercial grade quality and workmanship will ensure years of reliable use. Changing stations are compliant to ASTM, CE, and ANSI safety regulations. Full five year warranty.

EZ Mount™ (Patented)

Foundations® exclusive EZ Mount™ Backer Plate reduces installation time and enables unit to be attached to wall with only one installer, thus reducing installation time and costs. Also facilitates difficult and retrofit installations by eliminating the need for structural blocking and ensuring connection with two studs. EZ Mount™ Backer Plate is optional; Please specify when ordering. Cannot be used on stainless steel models.

Foundations® cribs & accessories are specified by more leading hotels worldwide than all other crib brands combined.

Foundations products are designed specifically to meet the unique demands of a hospitality environment, and to deliver comfort and confidence to the most discriminating guests. Foundations cribs meet or exceed the newly published ASTM crib safety standard specifically for commercial cribs. All mattresses are phthalate free to conform with the new Federal regulation. All wood meets the new 2009 California Air Resources Board standard for formaldehyde emissions. Many products are also offered in versions that meet European, Asian, Latin American, Canadian and other regional safety and language standards so that international hoteliers may achieve consistency of operations worldwide. Through our complete line of cribs, changing stations, sheets, blankets and accessories, Foundations provides a comprehensive solution to accommodating your most precious guests.

Portable Play Yard Cribs
